MISSION STATEMENT *The people of God in West Orange were called by the Holy Spirit in 1914 to form Our Lady of Lourdes Parish, a community centered on Jesus Christ. The Holy Spirit remains with us today as we continue our journey to God. We are inspired by the Gospel of Jesus Christ, nourished by the Eucharist, called to respect life and proclaim our Catholic faith. We serve God by providing spiritual, educational, and social activities for our parish family as well as extending God's love and compassion to serve the greater community.*

Dear Brothers and Sisters of Our Lady of Lourdes,

BENEDICT XVI GENERAL AUDIENCE Saint Peter's Square,
3 October 2012

This is an abridgement of a message of Benedict XVI on the subject of prayer and the disciples request to be taught how to pray

Today I would like us to ask ourselves: in my life, do I leave enough room for prayer and, above all, what place in my relationship with God does liturgical prayer, especially Holy Mass occupy, as participation in the common prayer of the Body of Christ which is the Church?

In answering this question we must remember first of all that prayer is the living relationship of the children of God with their Father who is good beyond measure, with his Son Jesus Christ and with the Holy Spirit (cf. *ibid.*, 2565). Therefore the life of prayer consists in being habitually in God's presence and being aware of it, in living in a relationship with God as we live our customary relationships in life, with our dearest relatives, with true friends; indeed the relationship with the Lord is the relationship that gives light to all our other relationships. This communion of life with the Triune God is possible because through Baptism we have been incorporated into Christ, we have begun to be one with him (cf. Rom 6:5)

In this we must bear in mind and accept the logic of God's Incarnation: he made himself close, present, entering into history and into human nature, making himself one of us. And this presence continues in the Church, his Body. So, the Liturgy is not the memory of past events, but is the living presence of the Paschal Mystery of Christ who transcends and unites times and places. If in the celebration the centrality of Christ did not emerge, we would not have Christian liturgy, totally dependent on the Lord and sustained by his creative presence. God acts through Christ and we can act only through and in him. The conviction must grow within us every day that the liturgy is not our or my "doing" but rather is an action of God in us and with us.

It is not, therefore, the individual — priest or member of the faithful — or the group celebrating the liturgy, but the liturgy is primarily God's action through the Church which has her own history, her rich tradition and her creativity. This universality and fundamental openness, which is proper to the

whole of the liturgy, is one of the reasons why it cannot be conceived of or modified by the individual community or by experts, but must be faithful to the forms of the universal Church.

The entire Church is always present even in the liturgy of the smallest community. For this reason there are no "strangers" in the liturgical community. In every liturgical celebration the whole Church takes part, heaven and earth, God and men. The Christian liturgy, even if it is celebrated in a place and in a concrete space and expresses the "yes" of a specific community, is by its nature catholic, it comes from all and leads to all, in unity with the Pope, with the Bishops and with believers of all epochs and all places. The more a celebration is enlivened by awareness of this, the more fruitfully will the authentic meaning of the liturgy be made present.

Dear friends, the Church becomes visible in many ways: in charitable action, in mission projects, in the personal apostolate that every Christian must carry out in his own walk of life. However the place in which she is fully experienced as Church is in the liturgy; it is the act in which we believe that God enters our reality and we can encounter him, we can touch him. It is the act in which we come into contact with God: he comes to us and we are illuminated by him. For this reason, when in reflections on the liturgy we focus our attention exclusively on how to make it attractive, interesting and beautiful, we risk forgetting the essential: the liturgy is celebrated for God and not for ourselves; it is his work; he is the subject; and we must open ourselves to him and let ourselves be guided by him and by his Body which is the Church.

Let us ask the Lord to learn every day to live the sacred liturgy, especially the Eucharistic Celebration, praying in the "we" of the Church, which directs her gaze not upon herself, but to God, and feeling part of the living Church of all places and of all epochs.

Rev. James P. Ferry, Pastor
Our Lady of Lourdes Church
One Eagle Rock Avenue
West Orange, NJ 07052

Dear Father Jim,

The Sisters of Charity of Saint Elizabeth are very grateful for the gifts totaling \$1077.80 from Our Lady of Lourdes Church.

We greatly appreciate that your parish continues to take an annual collection to support our Sisters who are elderly and infirm. As the Sisters remain committed to the mission of charity through wide-ranging ministries, they are comforted to know that generous friends help to provide care to the elderly sisters who have retired from full time ministry.

Please extend our thanks to everyone who contributed to this year's collection. The Sisters of Charity will continue to remember you and Our Lady of Lourdes Church in their prayers.

In peace and gratitude,

Wendy R. Relation
Director of Development

World Day
for Grandparents
and the Elderly
2022

July 24

The Vatican has released Pope Francis' message for the second World Day for Grandparents and the Elderly, which will be celebrated on 24 July on the theme: **'In old age they will still bear fruit'**.

We grandparents and elderly people have a great responsibility: to teach the women and men of our time to regard others with the same understanding and loving gaze with which we regard our own grandchildren.
